**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please maintain access for Sonic.com and other regional internet service providers to last mile copper and inter-city fiber.

Sonic provides me with excellent service and reliable internet. I chose them because they are local and respected.

But to do their job, they need access to fiber and copper.

Please reject the request from AT&T and US Telecom to take away access to critical unbundled network elements.
